BANK ROBBERY AT NEWPORT BEACH-- THREE CRACKSMEN BLOW OPEN SAFE

NITRO-GLYCERINE EMPLOYED-- \$600 COIN SECURED BY THUGS

Postoffice Looted—Bandits Make Get-away—"Bud" Kemble Shot—Hall and Grau Put Burglars to Flight!

Bank-robbers who blew open the vault and safe of the State Bank of Newport at Newport Beach this morning at 2:15 o'clock fought a battle with William Hall and Charles Grau, who interrupted the robbery. One robber was shot in the back by Hall. The three robbers escaped. Bradley Kemble, a fisherman, thinking the disturbance was a fire, ran along the street toward the firehall. A robber rose up beside him, told him to keep on running, and run fast. Kemble ran, and after going a short distance was ordered to stop by Hall, who thought him one of the robbers. Kemble did not stop. Hall fired two loads of bird-shot at him, and Kemble fell.

The robbery was carefully planned, and but for the quick, nerve fight put up by Hall and Grau would have been successful. As it is the men probably did not get away with more than \$150. By the blood trail of the wounded robber, two of the men were followed to where a buggy had stood. Two of the men escaped by driving away. They left on the Santa Ana road. The third robber was seen going his way across the bay at 4 o'clock this morning.

Story of the Fight
Shortly after two o'clock this morning Mrs. William Hall heard an explosion. She awakened her husband, who immediately called Grau, who is a barkeeper in Hall's saloon. They armed themselves with shot-guns, and went forth in their bare feet, Hall wearing only a nightshirt and a pair of pants, and Grau a bathrobe.

Approaching the bank, they saw a light through the front door. Hall fired a shot through the glass. Instantly they heard the dropping of a sack of coin, and at the same time a robber who was stationed behind the bathhouse nearby opened fire on Hall and Grau, and fired five shots at them with a revolver. Marks on the wall show that some of the shots missed by not over a foot.

Hall and Grau fired back. Just then the robber who was inside the bank broke from the back door and ran toward the back of the bathhouse to join his comrade. Hall blazed away at him, and undoubtedly hit the man in the back or legs, for from that point the blood trail began.

The robber reached the bathhouse, and the two men then evidently ran for their buggy.

In the meantime, "Bud" Kemble had gotten out of bed, and was running along Ocean avenue toward the bank. He thought the commotion was caused because of a fire somewhere, and he was hurrying to the fire-hall. Before reaching the corner of Twenty-second street, which runs toward the railroads and has the bank at one corner and G. A. Edgar's house at the other, a man suddenly jumped up in front of Kemble, held a revolver on him, and told him to keep going, and go — fast.

Kemble realized then that he had run into a bank robbery. He turned at Edgar's corner and ran toward the railroad.

Hall and Grau were across the street by the bank. They thought Kemble was one of the robbers, and Hall called out three times for the man to halt. Kemble was naturally confused. He had just been ordered by a man with a gun to keep running. He did not know what to do. He thought the call to halt came from another robber.

Hall fired twice at Kemble, and Kemble fell to the sidewalk.

By this time the two robbers from behind the bathhouse had escaped, and everything seemed quiet. Other citizens were gathering.

After five minutes time Grau and Reuben Shaffer, a fisherman, concluded to pick up Kemble, who was still on the sidewalk groaning and calling for help.

Grau and Shaffer rounded the corner of Ocean avenue and Twenty-second street, and when a few feet from the corner they were fired upon by a robber from behind Edgar's house. This was undoubtedly the same man who first accosted Kemble. He fired one shot from a revolver at a distance of not over twenty feet and missed. Grau and Shaffer had no chance to return the man's fire, for he disappeared around the house.

Wires Were Cut
Attempts to get Santa Ana by wire proved quickly that before commencing the job the robbers had cut the telephone and telegraph wires. A wire was strung and connections

for telegraphing were made, but with the Santa Ana telegraph offices closed no word could be sent there. Someone rode to Harper street, and there got on a telephone. Jailer Jernigan was called up at the county jail. Word reached him at 3:15 o'clock, and in a few minutes afterward Deputy Sheriffs Squires and Law, and Constables Jackson and Heard, all armed, were headed for Newport Beach.

Soon after it became apparent that the robbers had fled, a posse of Newport Beach citizens took the trail. The blood marks were plain. The trail led back of the hotel, thence to the railroad tracks near the S. P. oil tanks. It was evident that the wounded man stumbled in crossing the tracks, possibly from weakness. At that point a 50-cent roll of pennies, two silver dollars, two half-dollars and a 25-cent piece were found.

On the main road near the tracks was found where a horse and rubber tired buggy had stood, evidently for an hour and a half or two hours. The tracks showed that the two men had climbed into this buggy and had gone. They took the only road inland. Some Italians camped near West Newport heard a rig go over the bridge at breakneck speed. The Italians thought it was about 2:30 o'clock.

That is the last definite trace of the robbers. Once over the river and up the grade, they may have turned off on the Fairview road or gone straight on toward Tustin. They may have turned off the main road and headed for Los Angeles. It seems probable that if the man who was shot is badly wounded he must somewhere seek a physician.

The two men who first reached the buggy evidently did not wait for the third robber, who was stationed toward the wharf from the bank, and the robbers knew that the two men with shotguns were between the two in the buggy and the third man.

This morning about 4 o'clock a man was seen attempting to cross the bay. He was using a pole for navigation, having no oars. The natural conclusion is that he was the third robber trying to get away. It is thought that he succeeded in crossing the bay. Search for signs of his landing are being made this morning by Jackson and Law.

Condition at Bank
Investigation at the bank shows that the robbers gained entrance by using a pick-ax in prying open the back door. On a desk in the front room was found a full bottle of nitro-glycerine. In the rear room were two bottles partly filled with nitro-glycerine. The pick-ax and two or three crowbars were found. These were stolen earlier in the night by the thieves from John Landis' blacksmith shop.

The robbers used the crowbars in breaking open the door of the vault. They then prepared for blowing open the safe, a Mosler screw-door safe, supposed to be burglar-proof. After placing the explosive, the doors of the vault were closed to deaden the sound of the explosion. So great was the force of the nitro-glycerine, the safe was wrecked, and a piece of iron from it was driven entirely through the steel doors of the vault. The robber who was operating inside the bank fired a horse's nose-bag with coin from the safe. This bag was dropped, and was the one Hall and Grau heard dropped when Hall fired through the door.

That the robber carried away some coin is evidenced by the fact that some was dropped in the get-away. Lew H. Wallace, cashier of the bank, makes a guess that probably between \$100 and \$200 is gone. He says he does not know, as he has not touched the coin or attempted a count. He cannot touch anything until the detectives of the American Bankers Association and the insurance companies arrive. He says that

there is quite a lot of paper money torn up as the result of the force of the explosion.

Amount Actually Taken
The amount that the robbers succeeded in getting away with was \$240 in gold, and \$569.10 in silver.

Have Descriptions
The officers have meager descriptions of three men supposed to be robbers. Yesterday three men entered Erickson's store and bought among other articles some canned meat. The empty cans were found at the place where the buggy stood. One man is big and had a heavy black mustache. A middle-sized man had a heavy light mustache, and the third man was small, round-faced and smooth-shaven.

Buggy Was Stolen
This morning it was learned that a horse and rubber-tired buggy was stolen from G. H. L. Griest. It is thought that the first rig was abandoned somewhere, and this buggy was stolen. This horse is a chestnut with hair clipped and the buggy is an open buggy. A report is out that this buggy went toward Orange.

ROBBED POSTOFFICE BEFORE TACKLING THE BANK

Before the cracksmen tackled the bigger job of robbing the bank, they burglarized the postoffice. They pried off the door of the building, and got away with ten dollars from Uncle Sam's till.

KEMBLE'S BODY PERFORATED BY 150 TO 200 SHOTS

Bradford Kemble, the Newport citizen who was shot in the fracas at Newport last night, is reported as resting easier this afternoon. From 150 to 200 shots were scattered in his body, from his shoulders to his knees, and only a part of these have been removed.

It will be several days before the exact extent of his injuries can be determined.

Latest Report

The officers have word that the three bandits were together at Olive, where they abandoned the rig in which they made their escape.

ANGEROUSLY HURT IN ROW

Mexican Stabbed By Ramon Martinez is in Hospital in Critical Condition

FULLERTON, Jan. 13.—A sheriff's posse, headed by Deputy Sheriff Bol Squires, from Santa Ana, last night scoured the country hereabout for Ramon Martinez, one of the participants in a Mexican melee near this city, who is charged by the authorities with stabbing Antonio Paries. The victim of the affray lies in the Fullerton hospital, unconscious, with dangerous wounds over his heart and kidneys.

Folk. Missouri aspirants for the presidential nomination, and adjourned until today.

The Clark men want an early convention to choose delegates to the National convention, while the Folk men want a late one. The convention will be held in St. Louis or in Joplin.

A. G. FINLEY RAN OVER TODAY BY AUTO

Geo. Hoenshel, Orange Backed Buick Car Over Body of Well Known Rancher

REPEATED THE PROCESS WITHOUT KNOWING IT

Santa Ana Man Badly Bruised But Miraculously Escaped Any Serious Injury

A. G. FINLEY, the well known rancher and S. A. V. I. director, was run over by an automobile at noon today in Orange.

He was passing the Orange City Garage just as George Hoenshel was backing his Buick car out of the garage. The back wheels of the car struck Finley, knocking him down and passing over his body. Hoenshel, not knowing Finley was under the machine started his car forward towards the garage, running the rear wheels over Finley's body again.

Miraculous as it may seem, no bones were broken after this double lacerant action of the Buick, but Mr. Finley was badly bruised all over his body. He was taken to Dr. Roy's office for repairs, and to receive congratulations for coming out whole after such intimate contact with the Hoenshel machine.

SOCIALISTS LEAD IN GERMAN ELECTION— RE-BALLOT JAN. 24

BERLIN, Jan. 13.—The Socialists elected Reichstag members in sixty-seven districts. In one hundred and twenty districts there was no majority for any candidate. A re-ballet will be taken January 24. It is believed the Socialists will carry many of the districts.

BAHIA, BRAZIL, SHELLED AND HUNDRED KILLED

BUENOS AIRES, Jan. 13.—Twenty killed and a hundred seriously wounded in Bahia, Brazil, when the city was shelled by federal troops under command of General Sotero Meneses. The Bahia authorities had refused to allow him to execute a habeas corpus order issued by the federal government. Many government buildings are reported as destroyed.

EVERYBODY BOOSTED FOR TWO EXPOSITIONS

LOS ANGELES, Jan. 13.—San Jose was chosen as the place, and June 21-22 the time for the next meeting of the Counties Committee of the California Development Board which ended its session here at noon. California's two expositions were the keynote today. Speakers from every section of the state boosted for them. Chester Rowell and others spoke.

ANOTHER FAMOUS PICTURE COMING TO UNITED STATES

LONDON, Jan. 13.—Another great English picture destined for America is the famous Gainsborough portrait of Countess Ferrers, whose husband was hanged in 1760, which has been sold to an unnamed New York connoisseur for \$50,000.

Application was made yesterday in the London law courts on behalf of Lord Zouche, the owner, for a hearing of his request for leave to sanction the sale. This action is necessary because the picture is an heirloom of a branch of the Curzon family, of which Zouche is the head.

CHESTER ROWELL SAID TO BE SLATED FOR POST IN BRAZIL

LOS ANGELES, Jan. 13.—Chester Rowell of Fresno, the well-known editor and leader of progressive Republicans, is being urged to accept the ambassadorship to Brazil. Word comes from Washington that Senators Works and Perkins have wired to him asking if he would accept.

Mr. Rowell, who is attending the Counties Committees convention, made the following statement concerning the report last night: "I assure you that this is the first I have heard of the matter, as I have as yet received no word of any kind from either Senator Works or Senator Perkins. I cannot understand it. At any rate, if such a position were offered me I should not consider it for a moment. I would be neither fitted nor prepared to take the position."

GREAT MILLING STRIKE HALTS BUSINESS

20,000 Employees of Lawrence Mass., Cotton Mills Riot After Strike

WAGE REDUCTION WAS CAUSE OF BIG WALKOUT

Business Paralyzed By Prospect of General Strike of Merrimac Mills

LAWRENCE, Mass., Jan. 13.—Business is paralyzed by the expectation of a general strike following the rioting resulting from a walkout of twenty thousand mill hands in protest against a wage reduction. Fifteen thousand more are expected to strike tonight and the mill hands of Lynn, Lowell and Haverhill may follow.

The strike may extend to every manufacturing town on the Merrimac river. The wage reductions are general, being enforced through the operation of the fifty-four-hour per week state law.

12,000 STRIKE IN AMERICAN WOOL COMPANY PLANT

LAWRENCE, Mass., Jan. 13.—Rioting, in which many persons were seriously injured, followed a strike yesterday of the 12,000 employees of the American Woolen Company. The entire police force was called out but was unable to cope with the situation until cooler heads among the strikers persuaded the rioters to retire. The strike grew out of the refusal of the company to accede to a demand for an increase of wages.

ENGLISH PASTOR IN GREAT SERMON

The First Methodist Episcopal church was crowded to the doors last night to hear the celebrated pastor of the City Temple of London, England, Rev. Reginald J. Campbell.

A man of refined and wonderful personality, the eminent preacher made a striking impression even before he began to talk. His sermon was a simple gospel message delivered in a plain, straightforward manner without frills or oratory or attempt at dramatic effect. He talked of the "poor in spirit," and declared that the three great dangers to religious life and development, was the absence of a humble devout spirit, intellectual coldness and religious self-complacency.

CHAS. W. MORSE TO GO TO HOT SPRINGS, ARK., FOR HEALTH

WASHINGTON, Jan. 13.—Moved by the last frantic personal appeal from Mrs. Chas. W. Morse that only a treatment of baths, such as can be had at Carlsbad will save her husband's life, President Taft yesterday ordered that the convicted New York banker be taken from the Government hospital in Atlanta to Hot Springs, Ark.

There attended by his wife, surrounded by nurses, given all the delicacies that hot houses can produce or money can buy, Morse will be by all odds the most luxurious prisoner ever known to Uncle Sam.

QUARTER MILLION FIRE STARTS FROM MOVING PICTURES

PHILADELPHIA, Pa., Jan. 13.—A fire starting in a moving picture theater was controlled at 9 o'clock this morning, after a damage of a quarter of a million dollars. The entire fire department fought the flames, which were fanned by a heavy wind. The fire fighters were aided by a snow-storm in subduing the flames.

NATION IS IN GRIP OF COLD

Railway Traffic of Half United States Paralyzed—Time Schedules Shattered

ANOTHER COLD WAVE IS SWEEPING FROM CANADA

New York Unable to Cope With Misery and Suffering Caused By Intense Cold

CHICAGO, Jan. 13.—The weather bureau warns of the coldest wave of the season. Storms approaching from the Canadian prairies, are due tonight. Warnings were flashed throughout the middle west. Suffering is intense today. Coal is scarce, and the price is rising daily. In the tenement districts the conditions are terrible. The city officials are unable to care for the homeless. The traffic of half the nation is paralyzed, and practically all schedules are abandoned.

The entire Middle West and South are cold swept. Zero weather exists throughout the Atlantic states. New England is frozen. Food shortages are reported throughout the Dakotas and rail transportation is demoralized, making it impossible to transport food. Georgia and Alabama are suffering. Students in the Chicago Dental College have mutinied, because the class rooms were freezing cold. Scores of trains stuck to the rails in the Middle West. The Union Pacific Limited is frozen in near Omaha and is reported to have been there fourteen hours.

Below Zero Temperatures

Today's temperatures below zero: New York, 2; Duluth, 22; La Crosse, 26; Davenport, Huron, S. D., and Calgary, 10; St. Joseph, 10; Detroit, 12; Omaha, 12; Green Bay, 20; Madison, 20; Peoria, 16; Des Moines, 18; Sault Ste Marie, Mich., 28.

BELOW ZERO WEATHER TAXES NEW YORK CITY

NEW YORK, Jan. 13.—Below zero weather for the first time this year was experienced here at 7 o'clock, the mercury going to three below at 8 o'clock. Deaths are being hourly reported from the east side where the suffering is most intense. The morgue's police stations and public buildings are crowded with seekers for warmth. Police regulations have been suspended. Officers, instead of searching offenders, are investigating tenements and alleys, searching for cold victims and many lives were saved in the receiving hospitals. The jails are crowded to the doors with men, women and children asking shelter. The municipal authorities are swamped and the charities are helpless to relieve the situation. Hampered by the intense cold little progress is being made towards the rescue of millions lying in the ice-cased vaults of the Equitable building ruins. The body of Battalion Chief Walsh has not yet been found.

27 Below at Columbus

COLUMBUS, Jan. 13.—The mercury has gone to twenty-seven degrees below zero and the weather is the coldest yet experienced here.

LITTLE ROCK, Jan. 13.—Two passengers were drowned and fourteen badly frozen as the steamer Nettie Johnson sunk, striking ice in Lake Langmelle.

EDMONTON, Alberta, Jan. 13.—With the mercury twenty below zero, twenty-five patients of the Edmonton hospital were carried in a storm to shelter when the hospital building was burned.

JONES WINS FORTUNE FROM SYNDICATE AFTER LONG SUIT

NEW YORK, Jan. 13.—John S. Jones, who charged that he was "frozen out" of the Little Kanawha Syndicate of George J. Gould and others, was awarded a verdict of \$607,155 yesterday in the Supreme Court against Gould and the other directors of the syndicate. The sum represents \$600,000 that Jones sued for and interest.

Jones alleged that he owned options on valuable coal lands in Ohio and that he turned these options over to the Little Kanawha Syndicate but did not receive the compensation that he had been promised. The directors of the syndicate denied his claims. The action has been tried three times.

THE REGISTER'S RECORD OF BUILDING PROGRESS

TEN RESIDENCES RECORD FOR THE WEEK

Jan. Building Operations Promise to Make Month One of the Best

MUCH MORE WORK SOON TO BE STARTED

Both Architects and Contractors Are Overwhelmed By Rush of Work

January building operations are going ahead in a way which promises to make the month one of the best in the history of the city. Building permits issued during the past week total \$16,675, bringing the total for the first twelve days of the month up to \$31,240. Plans which are ready to be put in operation in the immediate future promise that the remainder of the month will keep up this gait, and it would not be surprising to see the month total \$75,000 or more.

The permits of the past week included ten residences of substantial character, and plans are being made for many others on which work will be started in the course of the next few weeks. Architects and contractors have more work than they can attend to, and there seems to be no indication of a let-up.

Work will be started very soon on the plant of the Amalgamated Motors Company, to be erected on East Fourth street, east of the Santa Fe tracks. Should the permit for this work be taken out during the present month it will run the total well above the \$100,000 mark. Architects are now engaged on the plans for this building, and work is to be started as soon as possible.

The new Wakeham tract, recently opened in the northwestern part of the city, is beginning to be a scene of decided activity, and it is an assured fact that many residences will be erected there in the course of the next few months. Three houses already have been started, and several others have been made this week to parties who contemplate building at once.

R. K. English this week started work on a very handsome residence on his property at the southwest corner of First and Main streets. It will be modernly finished inside and out, and will cost something like \$5000. The house is placed about 75 feet from the corner of First street, Mr. English reserving the corner for an apartment house which he plans to erect in the not distant future.

NEW TRACT TO ORANGES

Turner and Haughton Buy in Santiago Canyon and Will Improve

Local Realty Market Shows Much Activity and Very Healthy Tone

The week just ended witnessed a number of important real estate deals, and the market has been stronger and more active than for some time past. The influx of Easterners has had its effect on the market, and all agents have had numerous inquiries, which are guarantee of substantial business in the future. The state of the market was never better, there being a healthy activity, but without any deleterious boom features, but a steady buying based on actual worth and local advantages.

One of the most important deals of the week was the purchase by J. A. Turner and Dr. T. S. Haughton of about 150 acres of land located in the lower part of Santiago canyon. It was purchased from distant owners, and it is the intention of the new owners to set the now unproductive land to oranges. This will open a new section to the growing of citrus fruit, and the experiment is one that will be watched with great interest.

Tarver Montgomery this week left for Kansas City with the expectation of completing a deal for the sale to eastern parties of the fine ranch owned by his mother in the Villa Park section. The deal is understood to involve in the neighborhood of \$75,000.

Carden & Scott this week negotiated the sale of the eighteen acre walnut orchard of J. H. Maley, located on South McCloy street, to Elmer Cox. The price was \$18,000. This is a very choice piece of property.

The ten-acre orange grove of E. M. Nealey, in Tustin, was this week sold to Arthur Lindsay, of the local firm of Rensberg & Lindsay. The price paid was \$12,500. Mr. Lindsay giving in part payment his Santa Ana residence.

Carden & Scott have negotiated the sale of a five-acre tract on Glassell street, Orange, from Mrs. Clemens to C. O. Neff. The tract is set to oranges and contains a comfortable residence. The price was \$7000, and Mrs. Clemens took over the residence of Mr. Neff on East Fifth street, Santa Ana, at \$5500.

M. ELTISTE AND WILLIAMS TRADE

Orange News: A deal in which M. Eltiste comes into possession of 118 feet of frontage on North Glassell street and the building in which his implement business is located, was consummated yesterday through the agency of the Geo. M. Hoenshel Realty Company.

For the property Mrs. Eltiste gave \$5000 and the blacksmith shop occupied by Harmon & Coltrane, which has a frontage of 59.8 feet. Howard Williams is the other party to the trade.

Mr. Eltiste has owned the blacksmith shop property since his entrance into the local business field. It is stated today that Harmon & Coltrane will continue their business in the shop as at present, having a lease on the property.

NUMEROUS FINE HOMES PLANNED

Not only are all local building contractors busy, but architects are having more than they can do preparing plans for future work.

Architect F. W. Eley has just completed plans for a bungalow residence to be erected for H. G. Dean on Main street, south of Bishop. It is to be of rough finish, will have five rooms and bath, and is to cost about \$1500.

Mr. Eley has also completed plans for two bungalows to be erected on the Wakeham tract, one for himself and one for Ashby Turner. The first will cost about \$1800 and the other \$2200. Each is to be of rough exterior finish, plastered inside, with maple floors.

Among other plans which have been made by Mr. Eley are a fine residence to be erected by Joseph Ficus at Anaheim, at a cost of at least \$9000, and a two-story flat building at Ocean Park.

F. W. Opp this week completed plans for a residence in Swiss chalet style, to be erected for Wm. Adams on First street, in Tustin. It will be set in the middle of a handsome orange grove, and will be designed accordingly.

Mr. Opp has also completed plans for a one and a half story residence to be erected by John Nickelson at the corner of Seventeenth and Bush, at a cost of \$3000, and a six-room bungalow to be built by J. W. Sauer on East Chestnut avenue. This will cost about \$2000.

Bounding Health You Can Have It

Every man and woman has an inherent right to and can have and enjoy the blessings of vigorous health and strength if they utilize what nature and science have provided for the renewing and upbuilding of the human body.

The human system works on the same principle as any piece of machinery—when any one part fails to do its work properly the entire organization is affected.

The same all-wise Providence who created these human bodies also provided remedies for our health preservation. The most successful and efficacious remedies known to medical science today are derived from herbs which nature primarily intended as remedies for our ills.

The most successful herb preparation that has yet been compounded is Brackett's System Builder, a "pleasant-to-take" tablet that contains absolutely no habit-forming drugs.

Brackett's System Builder assists nature in building vigorous bodies by purifying and renewing the blood, thereby strengthening the heart, improving the circulation, overcoming nervous weakness, debility, loss of ambition, loss of vitality; by revitalizing, re-invigorating the body, brain and nerves to their highest efficiency, thus overcoming all chronic disorders of the system. For sale at first-class drug stores, 50c per box or sent prepaid upon receipt of price by Robert A. Brackett Company, Chemists, Los Angeles, Cal. Indigestion Goes and Your Stomach Feels Fine in Five Minutes

You can eat anything your stomach craves without fear of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach, if you will take a little Diapiesin occasionally.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Biliousness, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. A single dose will digest all the food you eat and leave nothing to ferment or sour and upset the stomach.

Get a large 50-cent case of Pape's Diapiesin from your druggist and start taking now, and in a little while you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

Should you at this moment be suffering from Indigestion or any stomach disorder, you can surely get relief within five minutes.

Replace With Brick
Huntington Beach News: Peter Syre and Fritz Ruhman of Anaheim, owners of the frame building on Main street near Ocean avenue now occupied by the Home bakery, announce that they will shortly erect a substantial brick block to replace the present structure. Messrs. Syre and Ruhman visited the News office last Friday and told of their plans. They expect to return in two weeks prepared to receive plans from builders for the new bakery establishment, which will be leased to John H. Eader, proprietor of the Home bakery.

CROUP ENDS LIFE

Many Children Die of Croup Every Year Before a Doctor Can Be Summoned

Parents of children should be prepared at all times for a spasm of croup.

Keep in the house a remedy that will give instant relief and keep the child from choking until the arrival of the physician.

Get a 50 cent bottle of HYOMEI today and in case of an attack of croup pour 20 drops into a kitchen bowl of boiling water. Hold the child's head over the bowl so that it can breathe the soothing, penetrating vapor that arises. In the meantime send for a physician.

This treatment has saved the lives of many children and is a precaution that all parents should promptly take.

HYOMEI is sold by The Rowley Drug Company and druggists everywhere and is guaranteed for croup, catarrh, asthma and bronchitis.

Statement Made

There are a good many people who have their doubts as to whether or not Mrs. Frances Allen will long keep the terms of her probation. There has arisen good reason to discredit her statements insofar as they concerned Frank Musselman and her reason for quitting her job as waitress at the Palace Restaurant. It seems that was discharged with all the money paid to her that was due her, and the pro-Palace Restaurant. It seems she was her statement that she forged a check with Musselman's name attached in order to get money she thought due her is false. The woman is now with her mother, Mrs. Bushaver at Yorba.

Case Dismissed

Deafness Cannot Be Cured

by local physicians as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When the tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

AMUSEMENTS

"The Three Twins" which comes to the Grand Opera House Saturday, Jan. 13, will introduce eight real Parisian directorio gowns. Mr. Gates has spared no expense in the costuming of this company and the gowns are said to be the handsomest that have ever been brought to America. These are only a few of the many handsome dresses that are displayed in this production.

The Great American Play, "Paid in Full"

Wagenhals & Kemper announce an elaborate production of the great play of contemporary American life, "Paid in Full," by Eugene Walter, at the Grand Opera House Tuesday, Jan. 16.

In the presentation that Wagenhals & Kemper offer they will have one of the most notable acting companies in America and the production here will be as complete as that given for nine months at the beautiful Astor theater, New York, and for five months at the Grand Opera House, Chicago.

"Paid in Full" has been endorsed by the critics as the greatest play since the days of "The Banker's Daughter" and "Jim, the Penman." Seat sale opens.

The Veil Withdrawn

Dr. Eddy, the celebrated medium, who gained such notoriety in England, will give one of those seances in spiritualism that have made him famous throughout the English speaking world at the Grand Opera House Sunday night, Jan. 14th. The following are among the many manifestations that will be produced in broad daylight on the open stage: Eddy's open light seance, blood writing on the arm, supernatural visions, a table suspended in the air without human agency. A test that has caused a great deal of talk among scientific men is called "De Materialization," while the medium is surrounded by a committee spirit figures appear on the stage, disappearing they immediately appear among the audience in plain open light. Sunday night the skeptical may be represented with liberty to subject the gentleman to any reasonable test and free to detect what they can do.—Adv.

Big Home Talent Minstrel Show

On Monday and Tuesday nights, Jan. 22 and 23, will be presented at the Temple theater a big home talent minstrel show. Rehearsals are now in full swing under the direction of "Billy" Fitchett, the ever popular minstrel director, who, with the boys, all hard workers, the show is an assured success. One show each night will be given, curtain up at 8 sharp. Advance sale of tickets will be on sale at Shaffer's Music Store. The cast will include the following celebrities in minstrel fame: Messrs. Phillips, Haines, Reesland, Howard, Donaldson, Terwilliger, Miles, Barnes, Peterson, Chapman and Fitchett. Watch the papers for this big show.

MARVELOUS DISCOVERY THAT CURES QUICKLY WITHOUT DRUGS.

Cancers, Tumors

A SIMPLE, SAFE, RELIABLE METHOD THAT QUICKLY CURES WITHOUT CAUSTICS OR OPERATION—NO KNIFE, NO PAIN

If you have failed to get relief from old-time methods of treatment do not despair—there is still hope and help for you.

We have successfully treated Cancers, Tumors, Gout, Consumption, Asthma, Catarrh, Deafness, Weak Lungs, Chronic Cough, Rheumatism, Neuralgia, Piles, Fistula, all Skin and Blood Diseases, Paralysis, Locomotor Ataxia, Spinal Trouble, all Nervous Diseases, Prostatic Trouble, Diseases of the Kidney, Bladder, Nervous Debility. We give special attention to diseases of women.

Our treatment is applied directly to the affected parts. It is mild, soothing, healing and has immediate effect.

St. Vitus Dance, Stubborn Nervous Diseases

Diseases of the nervous system require the highest degree of medical skill for successful treatment. Epilepsy, Chorea or St. Vitus Dance, Paralysis in its various forms, Hysteria, Spinal Prostration and other derangements or lesions of the nerves, brain or spinal cord are usually very obstinate and often regarded as incurable. The majority of such cases are incurable by the ordinary methods, yet they yield readily by our system of treatment. The first thing in the treatment of these diseases is to locate the cause of the disease which is often obscure. Science enables us to accomplish this.

We extend a cordial invitation to every man and woman to visit our institute and talk with us about their affliction, and to let us demonstrate the means we have employed successfully in hundreds of other cases.

Suffering Women

Among the vast number of our women patients fully three-fourths tell of having previously submitted to some painful and dangerous operation, involving in most instances the sacrifice of some important organ, and that, too, without the slightest relief or benefit, while many find their sufferings to have been aggravated and intensified.

Our treatment saves suffering women from dangerous surgical operations. It has proven efficient, reliable and successful in all manner of diseases of women. It has cured the most severe cases of inflammation and congestion of the womb, inflammation and congestion of the ovaries, ulcerations, fibroid tumors, ovarian tumors, incipient cancers, falling of the womb, irregular, profuse, painful menstruation, etc.

The remarkable success of this modern painless treatment has been attested to by scores and hundreds of cured patients, while its value has been attested to and endorsed by some of the most prominent medical writers in the country.

Every woman suffering with any disease, weakness or disability peculiar to her sex, is invited to call or write.

Many Cured Patients

We give below names of a few of our many cured patients:

Mrs. Geo. Brodow, 1239 East Twenty-second street, Los Angeles, says:

"Some years ago I had what the doctors called a fibroid tumor. They estimated that it would weigh at least thirty-five pounds. To my knowledge it had been growing for about five years. It caused me a great deal of suffering and anxiety. On September 4, 1902, I called on a physician in charge of the Therapeutic Institute, 946 South Broadway, for consultation and advice. He made a careful and thorough examination of my case and, to my surprise, said he could cure me without an operation. I took treatment from him for six months and in that time I was reduced to my normal size and completely cured. It has been now nearly nine years since I took the treatment, and I have never had any return of the trouble. I consider this wonderful, because the leading physicians and surgeons that examined me before all said the only thing to do would be to go to the hospital for an operation, and it would be doubtful if I would recover from the shock, owing to my weakened condition. I can say to the ladies of Los Angeles and vicinity that I feel that I owe my life to the treatment and can highly recommend it to the afflicted."

Lewis Williams, 2632 Loosmore street, well known retired business man, cured with two treatments, of cancerous growth on hand.

G. H. Farrar, 1525 East Fifty-first street, was cured in two months of a large cancerous tumor on left breast, from which he had suffered for four years.

Mrs. J. Brown, 210 1/2 North Olive street, cured of piles, after intense suffering for ten years.

We have on file hundreds of testimonials similar to the above. If you are afflicted and interested, you are invited to call and investigate.

Bladder and Kidney Diseases

W. M. Weaver, assessor of Imperial county, California, says: "For ten years I suffered with prostate and bladder trouble; was obliged to get up from three to ten times every night and at times had smarting, burning pains, weak back, was getting very nervous and losing strength. I became much alarmed about my condition, as all medicine and treatment from doctors seemed to do me no good. I read in the paper of the many cures accomplished by the Therapeutic Institute, 946 South Broadway, I decided to try once more. I came to Los Angeles, called on the physician in charge and commenced treatment. After taking only seventeen days' treatment I can truthfully say that I feel completely cured. Now I go to bed and sleep all night without being disturbed for the first time in ten years, and feel like a new man. I can highly recommend the

treatment and would urge every person suffering from kidney, bladder or prostate trouble to go to the Therapeutic Institute and be cured."

Deafness, Catarrh and Head Noises

Our system of treatment for Deafness and the troubles which accompany it is not only effective, but absolutely free from pain. No disagreeable instruments are usually necessary, as the inner tubes, which become blocked up and cause the ringing and buzzing sounds and impair the hearing faculty, open up readily and the bones of the ear are restored to elasticity by our method. The disagreeable noises are then quickly stopped. Those who have been treated unsuccessfully in the past are invited to try our scientific system which will have immediate effect.

Foul breath, spitting slime and mucus, scabs and scales forming in the nose, sneezing, pain in the head, dizziness, impaired smell or taste, drooping in the throat, are easily overcome by our treatment.

Ailments of Men

MARVELOUS DISCOVERY THAT QUICKLY CURES WITHOUT DRUGS

There are thousands of weak, broken down men dragging on from day to day who might be strong and vigorous as ever they were if they would only turn to the right source. Our system of treatment cures without drugs. It gives you back the very element you have lost. It puts new life into the veins and renews the vigor of your youth.

Every person suffering with Rheumatism, Neuralgia, Bladder and Prostatic trouble, Burning and Smarting Pains, Irritation, Unnatural Discharges, Stricture, Obstructions, Frequent or Painful Urination, Pain in the Back, Nervous Debility, Loss of Memory, Ambition and Strength, Vertigo, Hydrocele, Piles, Fistula, Sore Throat, Mucous Patches, Pimples, Copper Colored Spots, Sores and Ulcers, Bone Pains, Falling Hair or any diseases, weakness or disability, is invited to visit our office and talk with us about his affliction and let us demonstrate free the means we have employed successfully in hundreds of other cases.

Our treatment is applied directly to the weak and affected parts. It is mild, soothing, healing and has immediate effect. Some cases are cured with one or two treatments—there is no shock, no pain. A cure from this treatment is guaranteed to be permanent.

Six Reasons
Why I Bought a

Maxwell

RECENTLY one of our salesmen asked a customer our usual question, "Why he had bought a Maxwell car?" While the customer had a great many general reasons, borne of careful personal investigation, he stated six main reasons that influenced his purchase:

- | | |
|--|--|
| First. "Because there are over 43,000 users of Maxwell cars, a safe and sure endorsement. | Fourth. Because Maxwell uniform construction is first-class, simple, accessible, durable and easy to care for. |
| Second. Because the State Department statistics show that of 768 Maxwell registered in New York State during 1905 and 1906, 702 again registered this year, proving absolute durability. | Fifth. Because the Maxwell is the most economical car to maintain. |
| Third. Because of the company's financial soundness and policy of 'square dealing' and monthly inspection service. | Sixth. Because so many merchants, physicians and farmers, whose businesses absolutely demand unflinching and economical service, employ them." |

This customer tells the Maxwell story as we have preached it for years. Maxwell cars earned their reputation for reliability, durability and economical maintenance during eight years of continual effort and achievement.

Financially the strongest in the country, our "square deal and inspection policy" ensures continuance in business and guarantees service.

Maxwell construction is famous. Unit construction, three-point suspension, multiple-disc clutch, water cooling, metal bodies, features approved by the foremost engineers and now adopted by all high-priced cars, were incorporated in the first Maxwell. Being mechanically right,

Maxwell cars necessarily give right results.

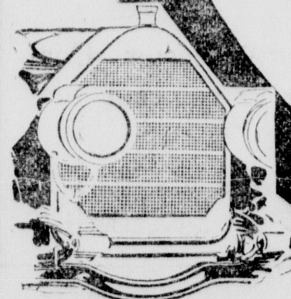

Over 13,200 physicians, 2,500 firms (some using as many as 35), 14,620 farmers are using Maxwell cars for business purposes. That is an enduring tribute to Maxwell superior construction, durability, freedom from care and economical maintenance. We point with pride to this unrivalled commercial endorsement.

If you intend making a motor car investment, don't fail to investigate the Maxwell. More Maxwells are sold through personal investigation than in any other way.

Let us tell you all about Maxwell cars. "How to Judge An Automobile," the best book published on the subject, which you can use as the basis of comparison with other cars, is yours for the asking. Write us today. A postal will do. Just say, "Mail Books."

A NEW CONGRESSIONAL CANDIDATE

The following article from the Riverside Enterprise would seem to indicate that State Treasurer Ed. Roberts of San Bernardino is not going to enter the race for congress from this district. It also indicates another Riverside man is to be listed among the tentative candidates—a good man, too,—none other than former Mayor S. C. Evans. This gives the Progressives their choice of three good men: Cuttle and Evans of Riverside and King of Redlands. The important thing is that only one of these men shall go before the primary election. The Progressives must get together and decide which is the best man among these three, and possibly others. Here is the article from the Enterprise:

"State Treasurer Roberts, a distinguished citizen of San Bernardino, a powerful progressive, and one of the best liked men in Southern California when asked here a day ago if he were a candidate for congress, said:

"Why don't Riverside take one of its own men. You have them. What about S. C. Evans. He's the type of congressman that would count. He's a student of government, knows thoroughly needs of this district, and has the confidence of everyone. He would be a force in Washington. He is especially interested in and familiar with the interests of the fruit growers. I believe San Bernardino would back him heartily."

"That's right. Evans would be an excellent member of the lower house. Riverside knows fully his abilities, his sterling integrity, his rare humanity, and his deep and abiding care for the best interests of this city."

"The Enterprise believes that he is the candidate Riverside should get behind. There are others of great merit. Those whose names one hears most are Francis Cuttle, Miguel Estudillo King of Redlands, and James Mills. The latter will not be a candidate. The other three are gentlemen of

parts, and their accomplishments are written in the history of their home cities.

"Former Mayor Evans, though, appears as the most probable choice of this section. The five years of his mayoralty were marked by an unswerving fidelity to the municipality, by a constant study of its problems, and by a singular devotion to his duty in all lines.

"If he can be persuaded to be a candidate for congress, he will represent well the eleventh district, and there is every augury of his success in a

campaign.

"Needham and he would make a strong team. The plan to bring Needham to this district seems fraught with danger. He has every reason to look for re-election where he is. Smith's health is precarious, and even if he fully recovers (which we earnestly trust he shall) there is no call for Riverside to sacrifice its desires and necessities to his political future.

"Evans will be a fit delegate from the eleventh district and the sooner Riverside people make plans for his candidacy, the better his chances will be.

ARIZONA MAY ENTER

UNION ON FEBRUARY 1

GLOBE, Ariz., Jan. 12.—Governor-elect George W. P. Hunt said yesterday that he expected Arizona would become a state by presidential proclamation February 1, and that he would take the oath of office as the first governor of the forty-eighth state in the Union that day.

Hunt based his prediction upon the rapidity with which the state canvass board is completing its count of the votes cast in the recent election.

Grand Opera House

"The Three Twins" which comes to the Grand Opera House Saturday, Jan. 13, with the full prestige of a Metropolitan success behind it, having run 5 months in Chicago at the Whitney Opera House and 10 months in New York at the Herald Square Theater, where it received the unanimous praise of the entire New York press as being one of the smartest musical plays produced in years. Mr. Gaithe has spared no expense in the mounting of this attraction, costuming is gorgeous, scenery magnificent, and the electrical effects bewildering, and the finale of the first act is said to be one of the most elaborate pieces of mechanism that has ever been placed on the stage. It shows an aerial circular swing with six beautiful show girls in baskets and while revolving the swing is illuminated with 2000 incandescent lights, making a gorgeous spectacle.

MRS. McMANIGAL GIVEN CUSTODY OF CHILDREN

CHICAGO, Jan. 12.—Mrs. Orlie E. McManigal, wife of the man whose startling confession led to the arrest, confession and sentence of the McNamara brothers in the dynamiting explosion cases at Los Angeles, was awarded the custody of her children yesterday in the Circuit Court by Judge Charles M. Walker.

The court ordered that the children, Evelyn, 7 years old, and Walter, 5 years old, should remain in the custody of their mother until further orders. Mrs. McManigal filed a bill for divorce some time ago, charging her husband with cruelty.

FAREWELL TO MEMBER

Debating Club of S. A. H. S. Honored Robert Paine With Party at Smiley Home

The Webster Club of the high school gave a party last night in honor of their graduating member, Robert Paine. It was held at the Smiley home in West Orange, the party riding out on a hay wagon.

Charades and other games, including the Virginia Reel were played, and following the serving of ice cream and cake, several toasts were given. Malcolm Tedford gave "To Our Departing Member and Officer," to which Mr. Paine responded with a short speech. Mr. Paine has been the vice president of the club and one of the school's finest debaters, and he will be greatly missed from all debating circles.

George Alsbach gave "To the Girl I Used to Love," and Olin McCord said a few words wishing the best of luck to Mrs. Norbert Lentz, a former member of the club and better known as Lois Langley.

Mr. Lloyd Davies, who has been attending Pomona College, gave a talk praising the college very highly. Mr. Ernest Phillips of the high school faculty was made an honorary member and read two humorous selections as his initiation fee. Roy Phillips was also initiated and sang and danced a jig. A rising vote of thanks was given to the Smileys for their hospitality and the use of their beautiful home and the party broke up at a late hour after a very enjoyable evening.

Relatives in Hospital

D. H. E. Barnes returned last evening from Los Angeles where he visited his brother, Dr. S. M. Barnes, and his niece, Mrs. H. B. Bishop, both lying ill in the California Hospital, recovering slowly under the care of trained nurses, from recent operations. Mrs. Bishop's trouble was appendicitis.

Dr. S. M. Barnes has just undergone a third operation, this one being a sequence to two others in Chicago several months ago. He recovered sufficiently to reach Los Angeles where, with his wife, have been stopping for several weeks.

MR. CAMPBELL'S VISIT

Entertained Socially With Banquet at Dragon—Charmed All

Socially, Rev. Reginald J. Campbell, pastor of the City Temple, London, England, who was the guest of Santa Anans yesterday afternoon, proved himself a charming conversationalist and after dinner speaker.

The distinguished preacher was met at Orange by Mr. Nathan A. Beals driving his automobile, accompanied by Superintendent J. A. Cranston of the city schools and Mr. C. A. Terwilliger, president of the Congregational Brotherhood. After an hour's ride he was taken to the home of Mr. and Mrs. Terwilliger on Second street. At 5:30 he was entertained at a luncheon at the Dragon. Covers were laid for twenty-two. The Dragon balcony, where the repast was served, was appropriately decorated in the American and British national colors. Pink and white were the colors displayed upon the tables. A dainty menu which follows was served in the Dragon's usual pleasing manner:

Menu
Cocktail
Grapefruit and Pineapple
London Wafers
Olives
Deep Sea Bass, Croquettes
Tartar Sauce
Tenderloin of Beef Larded
Mushroom Sauce
Sweet Potato En Glace
Coffee

Dragon Fruit Salad with Whipped Cream in Jelly
Divinity
Frozen Pudding
Genoa Cake, English Style
Mints
Salted Almonds

Mr. Terwilliger, who presided, called upon the Rev. H. E. Murkett to return thanks and after the tables were cleared, called upon Rev. C. H. Secombe to introduce the guest of the evening. Mr. Secombe in a few words felicitated the company upon the pleasure and honor of the occasion and extended to the Rev. Reginald J. Campbell the friendship and personal welcome of Santa Ana and Southern California.

Dr. Campbell responded in an address which was characterized by beauty of diction and nobility of sentiment. He declared he had already "lost his heart to Sunny Southern California." A keen analysis of the progress of social reform in England and in America, brought out the fact that in England the church was more closely identified with social progress than in America. Dr. Campbell urged that the gospel message must bring to bear the teachings and power of Christ upon the pressing question of every day life.

Clover Club Meeting

The Clover Club met at the home of Mrs. T. B. Elliott on North Bush on Thursday afternoon. The afternoon was spent in embroidery and conversation. About half past four the club members were ushered to the dining room which was beautifully decorated in violets and lavender ribbons. An appetizing two course luncheon was served. The color scheme of lavender and white was carried out most tastefully in the luncheon. The ladies departed at the usual hour, assuring their hostess of having spent a very delightful afternoon.

The next regular meeting will be at the home of Mrs. E. L. Eckley of 1012 North Broadway.

She also appreciates the difference in this and the eastern climate as it is at present.

Women's Socialist Union

The first 1912 meeting of the Women's Socialist Union was held at the home of Miss Edgerton, the members responding to the roll call with quotations from the Bible, applicable to Socialism. Verses 27 to 30 inclusive of the 1st chapter of Genesis were read whereupon Mrs. Margaret Day Taylor read an original poem, giving it for the first time in public.

Pleasant Afternoon

The ladies of the Catholic church were entertained yesterday at the home of Mrs. Olive Lopez by Mrs. G. W. Young. There were a goodly number present and all worked with zeal on a crazy quilt which is to be sold later. Later a social time was enjoyed, the hostess serving refreshments.

For J. C. Thomas

A family reunion was held at the J. C. Thomas home on Spurgeon street yesterday, the occasion being the 77th birthday of Mr. Thomas. The house was beautifully decorated with poinsettias, carnations and greens, in honor of the event.

GHOST WILL WALK

Interesting Spiritual Manifestations by Dr. Eddy

Dr. John J. Eddy, the renowned medium, will conduct a series of interesting spiritualistic demonstrations at the Grand Opera House tomorrow (Sunday) night, and the house promises to contain an audience that will find many things of interest in the séance given by this famous demonstrator of spiritualistic phenomena. Dr. Eddy is known all over this country as one of the most interesting mediums that has ever appeared before an audience and his manifestations are said to be the most bewildering in their conception. Unlike other mediums Dr. Eddy conducts all his experiments upon a brilliantly lighted stage, and a committee from the audience is on the stage during all his tests. It is said that no man has occasioned more comment in his particular line of work. Some say that he is the only legitimate successor to Madam Blavatsky. Some of the phenomena that Dr. Eddy will present at the Grand Sunday night will include slate writing, spirit pictures and materializations. Questions written and retained by the interrogators will receive prompt and intelligent answers.

ALL DAY INSTITUTE

W.C.T.U. Held Very Profitable Meeting at Shatto Home

The Tustin W. C. T. U. held a very profitable all day institute at the home of the president, Mrs. A. L. Shatto, last Thursday. The meeting was in charge of the superintendent, Mrs. W. C. Crawford. There were a large number in attendance, and the day was spent in a very interesting and helpful manner.

The meeting was opened by the singing of hymns, and the devotionals were led by Mrs. Crawford. Mrs. Philip Ebel then rendered a very pleasing piano solo, followed by an excellent violin solo by Miss Dorothy Utt. Mrs. M. C. Pollard read an instructive paper on anti-narcotics, which was followed by a discussion of the question. The startling statement was made that in New York City alone 275,000 men and women were addicted to the opium habit. Orange County was reported to be the cleanest county in the state, and yet there is room for improvement.

Mrs. King, a veteran W. C. T. U. worker, led in noonday prayer, after which the ladies enjoyed a substantial lunch which they had prepared.

The afternoon program began with singing, and devotionals, led by Mrs. Kennedy. Mrs. Vandermeulen read one of her valuable papers on "Mothers." Extracts from an article by Mrs. Ella Plagg Young were read. Mrs. G. P. Hill read an article showing the importance of forming right habits early in life. Miss Hazel Burns favored the company with a whistling solo which was heartily enjoyed. The Misses Phiney and Miss Logan sang a trio. Mrs. W. B. Tedford conducted a symposium along the line of good government, and a number of useful ideas were brought out. Mrs. Howard Wasson then rendered a piano solo. Mrs. E. B. Norman conducted a question box which proved interesting. Miss Gertrude Utt gave a piano solo, which was followed by the singing of "America" by the Union as a closing piece.

The ladies were glad of the opportunity to have with them the following members of the Santa Ana Union: Mrs. E. B. Norman, Mrs. G. P. Hill, Mrs. W. B. Tedford and Mrs. King.

A delegation of men from the Tustin Hills Association, consisting of Messrs. Knight, Curry, John A. McFadden, Thorman, Browning, A. M. Robinson, A. J. Finley, and B. H. Sharpless, took a 200-mile auto trip this week to look over the orange situation.

Whittier, Covina, Pomona, Riverside and Redlands were among the places visited. While at Riverside they met a delegation from the San Diego Association. The gentlemen returned more enthusiastic than ever for Orange County.

Neally Ranch Sold

Mr. E. M. Neally has sold his ten-acre orange grove on the corner of Mitchell avenue and the Newport road to Mr. Arthur Lindsay, a member of the firm of Remsburg & Lindsay of Santa Ana.

The new owner and his family will move onto the ranch the first of February. The Neallys expect to build, but will temporarily reside in the Roy house on Prospect avenue while looking for a location.

Rifle Pits Completed

The Santa Ana Rifle Club pits on the club range have been completed. They are now ready to start in on grading the firing line.

Bank Stock Collected

The stock for the new Tustin Bank has been collected, and the papers forwarded to Washington. It is indefinite yet just when the bank will open, but they expect to be ready for business in a month at least. The bank building is being put in readiness for their occupancy.

PLACENTIA

Orange Co., Cal.

You don't pioneer when you move to Placentia. That stage of this new packing and shipping town was past six months ago.

With the building of the Santa Fe's new main line east through the famous Placentia district, Placentia Townsite came into existence as a business center for this thickly settled and wealthy community. The orange growers built five large packing houses to handle the production. (Three more packing house sites have been procured.)

Placentia today, twenty-six miles from Los Angeles is a thriving go-ahead town with all city conveniences, such as bank, hotels, large stores, newspaper, lumber yard, garage, etc.

Placentia will not stay a town; that is inexpensive of its future. Placentia, the center of a district equal to Riverside and Redlands, must be a city. Already there are over a thousand people dependent on Placentia as a distributing point, which makes for active business.

An ideal climate, beautiful surroundings, good water, and plenty of work in all lines, produce perfect living conditions. Placentia offers unexcelled opportunities for Merchandising, Home-making or Investment.

REMEMBER

Placentia Townsite is over one-half sold out. Yet you can still buy at the original prices and on the original terms. Let us show you both the Possibilities and the Actualities at Placentia. Do not select land for a home or investment until you have seen Placentia.

Why Not Live Under Your Own?

*For Homes Ranging
in Cost from \$1800
to \$3500.*

For this modest though highly attractive class of homes, the **Wakeham Tract** is pronounced ideal. The lots range in price from \$550 to \$750, with building restrictions of \$1200—that is, no house can be built costing less than \$1200. And while many will be built costing more than \$1200, none is apt to be so pretentious as to make even the least in cost seem dwarfed or out of place. Neatness, good taste, economy and convenience will mark the neighborhood. All houses must be an equal distance from the street—east fronts 20 feet and west fronts 18 feet.

All Street and Side- walk Work Is In- cluded in the Price of Lots

The owners of the **Wakeham Tract** now have a large force of men engaged in grading and laying streets and sidewalks, and this work will all be paid for by the present owners of the tract; it is included in the prices of the lots, as above quoted, from \$550 to \$750. The sidewalks will be the best of concrete and cement work, and the streets will be oil and gravel. Hickey street will be oiled and graveled all the way to Main, and Orchard street (which is a continuation of Tenth street) will be opened through to Parton. The cement walks will be five feet wide with parkings feet wide, containing beautiful 12-year-old walnut trees for shade, ornament and nuts.

All the lots are set to these beautiful soft-shell walnut trees, and the trees that can be left standing will, with proper care, go a long way towards paying insurance and taxes.

AGENTS:—These lots may be purchased of any real estate agent in Orange County. If you are an agent you may present this proposition to your client in perfect confidence; if a purchaser, go to the agent you prefer.

SIZES OF LOTS: Lots fronting west on Flower street, commencing at Hickey street, the first two are each 76½ feet front; all others in this row 70 feet front; the whole row being 75 feet deep. The first lot, at the corner of Hickey street, in the row fronting east on Garnsey street, is 65 feet front, and all others in this row are 54 feet front; the entire row being 109 feet deep. The first lot (165 feet north of Hickey) in the row fronting west on Garnsey is 62 feet front, the others in this row being 54 feet front, and all 105½ feet deep.

WAKEHAM TRACT

3 BLOCKS TO CAR LINE—9 BLOCKS TO FOURTH AND MAIN—PAVED STREET ALL THE WAY
—PROTECTIVE BUT NOT PROHIBITIVE BUILDING RESTRICTIONS.

SEWER, GAS AND WATER PIPES WILL BE LAID IN THE STREETS AND LATERALS CARRIED TO THE PROPERTY LINE OF EACH AND EVERY LOT AT THE COST OF THE OWNERS OF THE TRACT. SO THERE WILL BE NO TEARING UP OF THE STREETS AND NO COST TO PURCHASERS OF LOTS FOR MAKING CONNECTIONS OUTSIDE OF THE PROPERTY LINES.

Tract Will Be Rapidly Built With Homes

No lot will be sold to anyone who will not agree to commence building within 90 days. This is not a speculative proposition, but distinctly a **home building** enterprise. There are two houses now under way, and two more will be commenced within a week or ten days. At least three others are assured within 90 days, seven in all now in sight, for that many lots have been sold. Of course the lots will go quickly, and the entire tract will certainly be built up within a year or two at the longest.

Owners Will Build For Lot Purchasers at Cost

The owners of the WAKEHAM TRACT will build houses for lot purchasers, when desired, at **actual cost of materials and work**, giving the lot purchaser the benefit of all discounts on lumber, lime, brick, stone, plaster, hardware and other building materials, and saving them all contractor's profits, etc. This saving amounts to several hundred dollars on a house costing \$1500 to \$2000. The owners will also secure for lot purchasers a straight loan at a low rate of interest, or place the loan with one of the local Building & Loan Associations.

HIS TROUBLE NOT OF HEART

Real Facts In Regard To F. R. Huffman's Illness. Relief Ob- tained By Curing His Stomach Ailments.

Waynesville, N. C.—Mr. F. R. Huffman, of this city, says: "I suffered dreadfully with what I thought was heart trouble, and tried various medicines in vain.

After other remedies had failed, Thedford's Black-Draught restored me to health. I would not feel safe without Black-Draught in the house. I consider it worth its weight in gold.

I cured my indigestion, and by this means I was restored to health. I cannot express my gratitude for its benefits."

Good health depends on the condition of your digestion. Poor digestion and good health do not go together.

Thedford's Black-Draught will thoroughly cleanse and set in order your digestive system.

It has done this for others, during the past 70 years, and is today the most popular vegetable liver remedy on the market. Try it.

Insist on Thedford's. Price 25c.
